

# BML45-1 Compass-BML45-1

## Product Details

Model	BML45-1
Material	ABS
Product Weight	51g
Folded Size	76 X 56 X 29mm
Rugged Plastic Case	Yes
Floating Luminous Dial	Yes
Adjustable Luminous Marching Line	Yes
Thumb Hold and Magnifying Viewer	Yes
Ideal for Locating Positions on a Map or in the Field	Yes

# BML45-4 Compass-BML45-4

## Product Details

Model	BML45-4
Material	ABS
Color	Camouflage
ABS Plastic Housing	Yes
Wire Sight and Bezel Ring	Yes
Liquid filled for reliable readings	Yes
Floating Compass in 45 Diameter	Yes

# BML45-7 Compass-BML45-7

## Product Details

Model	BML45-7
Material	Alumium Alloy /ABS
Color	Black
Metal Housing	Yes
Wire Sight and Bezel Ring	Yes
Liquid filled for reliable reading	Yes
Floating Compass in 45 Diameter	Yes
Map Scale	1:50000m
Features	Meter Scale in edge of Compass Illumination in needle and important marks

# BML45-08 Compass-BML45-08

## Product Details

Model	BML45-8
Material	Metal /ABS
Product Weight	126g/85g
Metal Alumimium Housing	Yes
Bezel Ring and LED swich	Yes
Liquid Filled for Reliable Readings	Yes
Dual Map Scales	1:50000m & 1:25000m

# BML45-09 Compass-BML45-09

## Product Details

Model	BML45-9
Material	Alluminium Alloy
Product Weight	79.5g
Scale	Double
Folded Size	78X54X33mm
Metal House	Yes
Led Light and Bezel Ring	Yes
Floating Compass in 45mm Diameter	Yes

# -BML45-12 Compass-BML45-12

## Product Details

Model	BML45-12
Material	Zinc Alloy/ABS
Color	Olive Green
Dial Diameter	65mm/2.6 in( (measurement error 2%)
In the night	Yes
Shockproof	Yes
Display Method	Pointer Type
Product Features	Multifunctional, fluorescent dial, high accuracy, sturdy and durable, easy to carry
Product Functions	Basic locating, slope measurement, direction measurement, horizontal measurement, and vertical angle measurement
Folded Size	80X70X32mm
Scale	CM Scale, Inch Scale
Weight	312g

# BML45-11 Compass-BML45-11

## Product Details

Mode	BML45-11
Material	Metal
Color	Olive Green
Display Type	North Line and North Arrow
Bubble level	Yes
Base Table	Yes
Vertically adjustable sapphire bearing	Yes
Sighting window with sight line	Yes

# BML45-10 Compass-BML45-10

## Product Details

Model	BML45-10
Material	Zinc Alloy
Color	Olive Green
Folded Size	95 x 66 x 35mm
In the night	Yes
Display Type	Pointer Type
Features	Meter Scale in edge of Compass, Luminous dial and important marks
Scale	CM Scale, Inch Scale
Product Function	Floating compass dial with 360° scale, adjustable prism lens, Fold metal lid, Compass with clinometer, enable to measure height and slopes
